विषय :-मेसर्स पावर ग्रिड द्वारा 400 K.V. D/C पतरातू-लातेहार ट्रांसमिशन लाईन निर्माण हेतु संशोधित कुल 163.5868 हे० (लातेहार वन प्रमण्डल -103.681 हे०, रामगढ़ वन प्रमण्डल -7.9685 हे० एवं राँची वन प्रमण्डल -51.9373 हे०) वन-भूमि अपयोजन प्रस्ताव के संबंध में।

महाशय,

निर्देशानुसार उपरोक्त विषयक आपका पत्र संख्या-वन भूमि-05/2020-1724/व.प. दिनांक 20.06.2022 एवं पत्र संख्या-वन भूमि-05/2020-2226/व.प. दिनांक 14.06.2023 के सम्बन्ध में अवगत करना है कि उपरोक्त वर्णित परियोजना प्रस्ताव के जाँचोपरान्त यह पाया गया कि प्रस्ताव के ऑनलाइन आवेदन में अभी भी निम्नलिखित दस्तावेजों/जानकारी को अपलोड कराने की आवश्यकता है:

- As per the DSS analysis, it is found that alignments of the uploaded KML files of the three divisions do not match with each other and also are not congruent with the installed towers (apparently installed over forest land in violation of FCA). Therefore, it may be reexamined and correct KML file may be uploaded.
- The total no of trees enumerated in forest land proposed for diversion is 15354 but conventionally they all would not require felling. Therefore, number of trees proposed for felling, trimming and translocation may be informed.
- The CA scheme (with 10 years of maintenance) provided under Latehar FD has not been uploaded on the online application. Also, around 60Ha of forest proposed for CA are already high on vegetative index, therefore, appropriate area should be identified for the purpose.
- The alternative routes of transmission line are not legible, the kml of these routes too may be submitted.
- As per online application, total temporary employment is 600000 whereas total employment mention in Cost Benefit (CB) analysis is 120000. It may be clarified. Also, the rates eg. NPV, daily wage etc. taken for CB estimation is old, present rate may be incorporated to assess the CB Ratio.
- As per DSS analysis, it appears that the proposed forest land for diversion has been violated by User Agency. But only Latehar forest division has reported violations whereas apparently the violation has also happened in Ramgarh & Ranchi Forest Division which requires filed verification. If, violation is done, then it must be taken into cognizance at the earliest and a complete action taken report against the perpetrators in this regard may be uploaded/submitted to this office along with the explanation of why forest department could not assess the violation (Ramgarh & Ranchi FD) while processing the application. Therefore, fresh site inspection report by the concerned DFOs become imperative.

- vii) The proposal is already more than four years old, it is pertinent that the required Wildlife Management Plan and Soil Conservation Plan must have been made ready by user agency. Therefore, copy of the plans may be also uploaded on the online application.

अतः अनुरोध है कि उपरोक्त वर्णित दस्तावेज / जानकारी को प्रस्ताव पर अग्रेतर कार्रवाई हेतु ऑनलाइन में अपलोड कराते हुए प्रेषित किया जाय।

विश्वासभाजन
