The following shortcoming has been noticed in the proposal, which may please be completed:

1. CA has been proposed in terms of number of plants over 0.2 ha of forest land whereas the CA site suitability certificate for some other project proposal for 0.8 ha has been placed at P.No.38 of the proposal folder. The CA site suitability certificate of the proposed project is required to be placed in the proposal folder.
2. In the recommendations of DFO concerned uploaded against the column No.15, the forest area 0.0715ha has been mentioned instead of 0.0112 ha. Now the revised recommendations in the shape of part-II are required to be uploaded against this column with the help of Nic cell of MoEF and CC, GoI.
