

(b) CA estimates for Social Forestry Division, Kasganj is without incorporating cost escalation due to inflation.

7. Topo sheets attached showing CA locations for Social Forestry Division Etah shows six locations whereas five patches have been taken up for CA.
8. As per GIS DSS analysis of proposed CA patches only 64 ha is appropriate for plantation whereas minimum 93.616 ha of degraded forest land is required for compensatory afforestation. Additional CA patches with kml files, site suitability certificate and site specific CA needs submission.
9. The proposal is with estimates for additional compensatory afforestation on vacant land on both sides of the road without being specifically recommended by the competent authority of the State Government.
10. On many documents of the proposal name & date of the signing authority has not been mentioned and the same needs rectification.
11. The proposal is without NPV calculation for proposed forest land falling under Social Forestry Division, Etah.

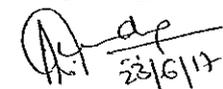

Therefore, the proposal is hereby placed under EDS category for rectification/revision of the same as per the observations made above in point wise manner.

Encl: As mentioned above.

Yours faithfully,

(Brijendra Swaroop)

1. Copy of document in support of the competence/authority of the person to make application on behalf of the User Agency uploaded with the proposal does not contain verified/attested signature of authorised signatory. [at A-3(xvii) part I]
2. (a) CD containing km files for proposed forest land diversion and proposed compensatory afforestation has not been submitted with the proposal.
(b) The km files uploaded with the part I for proposed forestland diversion are in poly line format which is incorrect format and renders km files not amenable to GIS DSS analysis.
(c) Copy of cost benefit analysis uploaded at G(ii) (a) in part I is not as per guidelines of MOEF&CC.
4. (a) The land schedule showing calculations for forest land (uploaded as additional document in part I) does not provide details of PF, ROW etc on both side of the roads.
(b) The land schedule for Kasganj Division is incorrect.
5. The land schedule uploaded in part II shows negative value of balance width available for plantation along road strip which is erroneous.
6. (a) In the CA estimate for Social Forestry Division, Kashtram Nagar it is mentioned that additional 10% of estimate will be charged from the user agency in future which is incorrect. The CA estimate should include all cost escalation estimated to be paid by user agency once.
