Subject: Diversion of 2.98 Ha of forest land for Construction of BT Road from Gordhanpura to Kali mati under RRSMP Scheme in Rajasthan in Baran Forest Division.

Reference: Reply of EDS submitted on line by the State Government of Rajasthan

Dear Sir,

On the above mentioned subject, I am directed to inform that this office has received an online proposal for clearance under Forest (Conservation) Act-1980. The details of the proposal are as given below-

Proposal No	FP/RJ/ROAD/7000/2014
Name of Project	Construction of BT Road from Gordhanpura to Kali mati under
Name of User Agency	Executive engineer PWD Division Shahabad, Bus stand Pin-325217
Category of Project	Road
Area (Ha)	2.98

Some information was sought vide letter of even number dated 4<sup>th</sup> Mar 2015. The reply of this letter was submitted on line by the State Government. In the meantime, Hard copy of the proposal was also received in this office. As per the information made available, the following shortcomings have been observed in the proposal-

- The shortcomings in KML file was pointed out in our letter dated 4<sup>th</sup> March 2015 but it has not been removed. The KML file is not showing the alignment of the road and proposed area of Compensatory Afforestation.
- In part-I, it has been mentioned by the user agency that for present proposal, the forest land is required in the two village namely **Gordhanpura** and **Kali mati** whereas the proceedings of gram sabha meeting have been attached for the village **Todiyani**.
- The proceedings of Sub-Divisional level Committee are general without specifically mentioning the name of village and the required forest land.

DCF-Baran has mentioned the same reference number (8B/Raj/06/07/2015/FC/1162 dated 2<sup>nd</sup> March 2014) in almost all the reply of EDS related to Baran Forest Division. The mentioned reference number is not related to the present proposal. The DCF-Baran may be advised to be cautious in future, for mentioning relevant reference number of the proposal to avoid confusion.

The above discrepancies may be removed so that further action can be taken.

Kindly provide Required  
Information.
