To,

The Principal Secretary-cum-PCCF,
Department of Forest, Environment & Wildlife Management,
Deorali, Gangtok,
Sikkim-737102.

Sub: Diversion of 0.4800 ha of forest land for const. of RCR from Tinkitam Road to Rayong Sardong in South Sikkim by RM&DD, Govt. of Sikkim.-reg.

Sir,

Please refer to online proposal no FP/SK/ROAD/38721/2019 submitted in RO dated 09.07.2021 on the subject mentioned above, seeking prior approval of the Central Government under Section-2 of the Forest (Conservation) Act, 1980. The proposal forwarded by the State Government has been examined in this office in accordance to Forest (Conservation) Act, 1980, and rules/guidelines framed there under.

I am directed to state that the State Government is requested to provide additional information for further processing of the case-

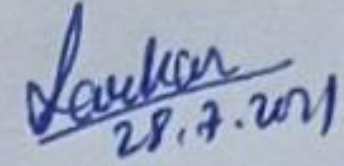

- 1) The proposed diversion KML/Shape file has been uploaded instead of Compensatory Afforestation in Part II (Point 13.- Details of C.A. scheme). Needs to reupload the KML/Shape file of proposed Compensatory Afforestation.
- 2) As per the site inspection report submitted by the DFO legal status of the proposed area is mentioned as Khasmal. Whereas, in online, Part-II of para 2, the proposed forest area is wrongly mentioned as Reserved Forest. Needs to rectify the legal status of the proposed diversion area.
- 3) Total period for which the forest land is proposed to be diverted has not mentioned in Part I.
- 4) As per the site inspection report submitted by the DFO the density of vegetation is mentioned as 0.4-0.6. Whereas, in Part II (4.1) the density is mentioned as 0.6.
- 5) The new SoI map with the starting point and end point of the road with GPS coordinated is to be furnished.
- 6) Employment likely to be generated due to the project is to be furnished.
- 7) The Forest Right Act (2006) certificate is to be furnished.
- 8) The technically approved Compensatory Afforestation Scheme by Competent Authority of the State Govt is to be furnished.

9) Certificate from Chief Secretary of the State/UT for non-availability of non-forest land for Compensatory afforestation is to be furnished.

10) Tree enumeration list is to be furnished.

The above-mentioned additional information's needs to be upload/rectify in PARIVESH portal accordingly.

Your's sincerely

28.7.2011
