**Proposal No. FP/JK/VELEC/117408/2020**

- a. KMZ file is incorrect; polygon map is required to confirm area to be diverted.
- b. GPS/DGPS map is to be uploaded instead of Google Earth screenshot.
- c. Component-wise break-up in S.No. B-2.4 of Form A, Part-I, has to show components of the project, viz., length/area of electric line segments/ area under towers (if any)/ any additional infrastructure etc.
