Kind attention of the District Forest Officer is drawn to the above references cited. In which it was forwarded the proposal under Forest (Conservation) Act 1980 along with site inspection report. On verifying it in Part II recommendations coloum No. 4 (ii) the details of vegetation available in the Forest land proposed for diversion is noted as Nil. But, the site inspection report it was mentioned that, there are 4 Nos of *Commiphora berrgi*, 6 numbers of *Zizphus xylopycus* and 3 numbers of *Dalbergia coromandeliana* and the above species are in stunted growth stage. As per field inspection done on 29.06.2021, it is clarified that, the above species are naturally grown or planted.

As per Hon'ble Supreme Court order in 202/1995 if the spontaneous growth of trees may cut after getting necessary orders from the Hon'ble Supreme Court of India and if it is planted trees, as per G.O(Ms) No.704 Public (Misc.) Dept dated 03.08.2010 it was directed to ensure that 10 saplings are planted after every tree that have fallen or cut down while implementing the various projects in the areas etc., maintained. Hence the District Forest Officer is requested to submit the details of trees available in the proposed area like name of species and its girth etc., in full shape as required in Sl.No.4 part II and also update the part II.
