In continuation of this office reference 7th cited, it is to inform that, the Forest Range Officer, Banswada through reference 6th cited has reported that, for diversion of 4.115 Ha. of forest land in Nizamabad Division for laying of pipe line and construction of structures in Segment 12/3 (Banswada) for providing safe drinking water in Nizamabad District i.e, set No.1 falls in Rampur Section of Banswada Range jurisdiction with a proposed diversion area of 1.564 Ha.

Further it is to inform that, the Forest Range Officer, Banswada has inspected the proposed area on 06.06.2016 and noticed that, the User Agency has proposed for laying of pipe line from Latitude 18.38156 Longitude 77.93615 to Latitude 18.36602 Longitude 77.97550 for a length of 4500 Meters.

As observed from the field conditions, from Latitude 18.36876 Longitude 77.96981 to Latitude 18.36602 Longitude 77.97550 for a length of 720 Meters falls in Gandhari Range of Kamareddy Division jurisdiction.
