From the perusal of above quoted reference following shortcomings have again been noticed:-

1. Detail of Employment likely to be generated is not matching with the part-I placed in the proposal folder.
2. The rates/ norms applied for CA relating to the diversion proposal having the area more than 1 ha. Whereas the instant proposal is having 0.2099 ha area. Thus, according to Pr. 3. Legal status of Forest land proposed for diversion is not found uploaded.
4. Land suitability certificate w.r.t. area proposed for CA is not found uploaded.
5. Certificate w.r.t WL Sanctuary/ Eco-sensitive zones is not found uploaded nor placed in the proposal folder.
6. Hard copy of the Geo referred map & SOI Toposheet of project site and Layout Plan has been placed in black & white (in duplicate copies) where as a color copy of the same are required to be submitted. Please arrange to submit the same.
