

EDS on Proposal No.FP/HP/Others/39044/2019

Diversion of 75.3931 ha of forest land in favour of Central University, North Campus Dharamshala for the construction of North Campus Central University Dharamshala, Distt Kangra, within the jurisdiction of Dharamshala Forest Division Distt Kangra, HP.

The following points are to be attended:-

1. There is difference in employment likely to be generated, mentioned against column No. E in online part-I and given in hard copy of the proposal. Against column No.E(ii), '300' and against E(iii), '500000', has been mentioned whereas in hard copy of part-I against column No.1(vi), only '500000' mandays has been mentioned. The employment details given in online part-I and placed in hard copy should match. Necessary corrections are required to be made in the employment details mentioned in online as well as in hard copy of the proposal.
2. In online part-II, against column No.4(ii), only 4487 trees have been shown whereas in the enumeration lists placed at P.No.60-138, 4488 trees are standing over the forest land proposed for diversion whereas in the abstract of trees placed at P.No.59 of the proposal folder, total 4486 trees have been shown. Thus it is not clear how many trees are involved over the forest land proposed for diversion. Necessary correction is required to be made in online part-II as well as in the hard copy of the proposal folder as per actual number of trees involved in the proposed proposal.
3. Although the KML files of CA sites have been uploaded against column No.13(i). But while calculating the area of each CA patch, the total of CA sites is not matching with the total CA area requirement. The forest area of first patch is correct, it is 20 ha. The forest area of 2nd patch is coming 111ha instead of 75 ha. The total of 3rd patch is coming 26 ha instead of 31 ha and while viewing the 4th patch, it is not visible. Revised KML files of patches are required to be uploaded.
4. The details of CA scheme uploaded against column No.13(ii), are not correct. In the scheduled of plantation programme, the CA area 9.75 ha has been mentioned instead of 151 ha.
5. There is difference in district profile mentioned in online part-II and hard copy of part-II. In online part-II, the progress of CA has been shown upto 31.3.2019 whereas in hard copy of part-II, it has been shown upto 31.3.2018.
