Dear Sir,

Subject: Facing problem in Area updation and submission of renewal of lease proposal in Form-B for 221.80 ha of diverted forest land for the establishment of Wind Power Project in the Chitradurga District, reg.

Reference:

1. Forest proposal No. FP/KA/WIND/43786/2020 submitted on 09-01-2020.
2. Forest proposal No. SW/287146/2022 submitted on 06-08-2022.

As reference 1 & 2 above and our today's discussion with your goodself, wherein we are facing the following issues for renewal of lease proposal of 221.80 Ha wind power project:

1. We are unable to modify area in the in online FC renewal proposal (Form B) no. FP/KA/WIND/43786/2020 submitted earlier.
2. Since we were not able to modify the area, we have submitted a fresh proposal for FC renewal (SW/287146/2022) dt. 6th August 2022. While we have received the proposal number after online submission, it was noticed that the proposal is not reflected in the Parivesh portal at state level. Also at user agency end, we are seeing duplication of files upto 6 times than what we had submitted. We are trying to submit the proposal since 2nd August 2022 but could not able to succeed due to file duplication errors on the portal.

Our sincere request is kindly do the needful so as to make necessary changes for allowing editing options for project area and proposal details submitted earlier in Form B.

This is for your kind perusal and necessary guidance on the matter, please.

Thanking you,

Sincerely,

For Wind World (India) Ltd.
