 - c. The REC in its several meeting had directed the State Govt. to submit complete map and KML file of project and again in this proposal it is not submitted. Further, REC direct the State Govt. to submit complete map and KML file of the project with green wash for forest land proposed for diversion.

Recommendations of REC:

The REC examined the proposal for diversion of forest land under the Forest (Conservation) Act, 1980. The REC also saw the proposal on the Decision Support System (DSS) of FSI.

The points raised by this office under para no 16 above, the APCCF(LM) / Nodal Officer, Govt of Madhya Pradesh clarified to the REC as follows:

1. The FRA and CA scheme for 10 years will be uploaded.
2. In SIR of DFO, there has been confusion in the language used. The Nodal Officer clarified that no violation in this regard has taken place and same was observed by REC on Google Earth.

Accordingly, the REC *in-principle approves* the proposal for diversion of 20.22 ha Reserved & Orange forest land for construction of Gour Tank Project favour of Executive Engineer, Water Resources Division in Mandla district of Madhya Pradesh. The Stage-I on standard terms & conditions shall be issued only after receipt of following information from the State Govt:

1. FRA certificate and CA scheme for 10 years shall be uploaded on web portal.
2. Complete map and KML file (involving forest, non forest land and dam axis) of the project with green wash for forest land proposed for diversion shall be submitted
