The compliance has been submitted by you vide your letter no. GM/KBP/2019/237 dated 20.07.2019, which is unsatisfactory and unacceptable. Detail of which is given as under-

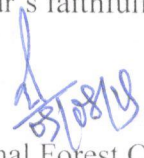

Sl.	Query raised by DFO, Bokaro	Compliance from your side	Reason of unacceptability
1.	Authenticated Land Schedule में काफी over writing है एवं Forest Land Schedule स्पष्ट नहीं है।	Application for Fresh land Schedule authentication has been given to DC, Bokaro and CO, Gomia vide letter no. GM(KBP)/2019/182, dated 14.05.2019 and GM(KBP)/2019/231, dated 11.07.2019 and will be submitted to your good office as soon as received from CO, Gomia.	In this matter, authenticated land schedule is necessary and it has to be submitted with the proposal. Your reply is superficial and cannot be accepted. It is requested to please procure it from DC/CO Office and submit in this office.
6.	Tree enumeration list संलग्न नहीं है।	Application for tree enumeration has been given to DFO, Bokaro vide letter no. GM(KBP)/2019/196, Date 06.06.2019, Undertaking for the same is enclosed.	Tree enumeration has to be done before application and an enumeration list has to be attached with it at the time of proposal. Your reply is highly superficial as it has to be done by yourself under the supervision of forest staffs, for which the RFO, Tenughat has been directed. Please do it as early as possible.
7.	मेसर्स कोतरे बंसंतपुर पचमों खुली खदान परियोजना हेतु 372.98 हे० वनभूमि अपयोजन के प्रस्ताव के विरुद्ध दो गुणा यानि 745.96 हे० क्षतिपूरक वनरोपण हेतु प्रस्ताव	Application for Allotment of land for "Compensatory Afforestation" for diversion of 372.98 ha Forest land for expansion of Kotre Basantpur Pachmo OCP has been given vide letter no. GM(KBP)/2019/218-20 dated 27.06.2019. Copy enclosed.	Please read the letter carefully. The DFO has already written in this para that 745.96 ha. degraded forestland is not available in Bokaro Forest Division and has already written to Conservator of Forest, Bokaro vide letter no 2438 dated 03.08.2019 for this. The detail of CA land has to be given in the online application as it is mandatory. So, its detail with KML file, toposheet map,

<p>आपके द्वारा नहीं दिया गया है। उल्लेखनीय है कि बोकारो वन प्रमण्डल के अंतर्गत किसी भी प्रक्षेत्र में क्षतिपूरक वनरोपण हेतु इतनी वनभूमि उपलब्ध नहीं है।</p>	<p>2022</p>	<p>suitability certificate & CA estimate has to be submitted as earliest as possible without which it can not be forwarded to Government of India.</p>
