File No. 8B/UP/05/50/2017/FC/ 76

Date: 14 August 2017

To,

The Special Secretary,  
Department of Forests,  
Government of UP, Bapu Bhavan,  
Sachivalaya,  
Lucknow-226001

ON LINE PROPOSAL No: FP/UP/TRANS/24154/2017

**Subject: Proposed forest land diversion of Reserve Forest 6.5475 ha for construction of 132 kV Jigna Dadar Kala transmission line of UP Power Transmission Corporation Limited in Mirzapur District with felling of 2 trees-reg.**

**Ref:** Letter no. P-82/14-2-2017-800(83) dated 1<sup>st</sup> August 2017

**Sir,**

In reference to your above mentioned letter where approval for above referred forest land diversion proposal was sought; I have been directed to convey following shortcomings of the proposal for necessary rectification:

1. The signature of person authorised to make application on behalf of User Agency has not been authenticated at part I A-3(xvii).
2. Geo referenced map uploaded at C-b (iv) in part I of the proposal is without geo coordinates of key points.
3. The project justification note uploaded with the proposal mentions requirement of forestland for retail outlet whereas the proposal is for 132 kV transmission line for evacuation of power {In part I at D (i)}. This reflects sincerity of project proponent for forest clearance.
4. Forest Notification uploaded is a scanned copy of Working Plan which is not clear and does not provide date of notification.
5. The proposal is without examining alternatives to arrive at minimum forest land requirement as per D-2 of part I. Though in hard copy three alternatives have been submitted without providing forest area involved in each alternative and neither providing geo coordinates of key points.
6. Part II of the proposal submitted does not mention legal status of forest land proposed for diversion.
7. Compensatory afforestation scheme is without cost escalation due to inflation.
8. The proposal is without submission of mandatory afforestation of dwarf medicinal plants below transmission line.
9. The proposal is without two separate enumeration list duly providing details of trees affected and trees to be felled.
10. Xerox copies of FRA 2006 related documents/certificates have been submitted with the hardcopy of the proposal.
11. Joint inspection report has been uploaded as site inspection report as additional document in part II.

*[Handwritten Signature]*  
14/8/17

12. The proposal is without details of number of towers proposed in forest land and non- forest land.

13. Correct part III has not been uploaded at Sr. No. 16 of part II.

Therefore, the proposal is hereby placed under EDS category for rectification/revision of the same as per the observations made above in point wise manner. It would be pertinent to convey that proposal will be part of Agenda item of next REC provided rectified/revised proposal is submitted one week before next scheduled REC meeting.

**Encl:** As mentioned above.

Yours faithfully,

(Brijendra Swaroop)  
Conservator of Forest(C)
