

Essential Details Sought

Proposal No. FP/JK/Others/126069/2021.

- i. As per the CA Scheme, vide letter dated 23.06.2021 the CCF Jammu mentions 0.85 Ha area has been selected for Compensatory Afforestation in lieu of diversion of 0.2 ha forest land for construction of DO office. Now in another hand 0.5 ha area has mention in Part-II, which needs to be clarified/corrected by the DFO.
- (ii) Suitability certificate for CA selected is 0.5 ha, needs to be clarified/corrected
- (iii) The Compartment No. mentioned in the documents uploaded by the DFO Batote and the User Agency in its justification for locating the project inside forest area and application to the District Collector regarding issue of FRA certificate, is not the same. This need to be clarified.
- (iv) The documents uploaded by the User Agency and the Forest department do not make it clear whether the proposal is for construction of DO office (which might means office of the District Officer, J&K PCC), as a fresh construction or for air quality monitoring station, or a laboratory. The objective of the proposal and its justification for locating inside a dense forest patch needs clarification.
