

PROPOSAL NO. FP/UK/ROAD/169961/2015

1. Proceedings of village level committee (VLC) meeting provided only for one village, however two villages are involved in the proposal as per village wise break up in Part I. The State Govt may provide VLC proceeding for another village with the FRA certificate.
2. The village wise break up should contain only name of village including area against each village. The State Govt shown area marked for muck disposal in village wise break up which should be corrected accordingly in online Part I.
3. The KML file for area proposed for diversion shows presence of already existed road along the proposed alignment. The State Govt may describe the status of the already existed road in detail, and provide copy of financial and administrative approval of the already existed road, if any. The State Govt may also clarify whether this existed road attracts approval under FCA 1980 and if yes then provide the copy of its approval to this office.
4. The State Govt has provided/uploaded the scanned copy of GIS software generated geo referenced digital map showing few geo-coordinates which is not acceptable. The State Govt may provide/upload the correct map showing geo coordinates at 200 to 300 m interval along the alignment including all turning points on exact to the scale and ensure the uploading of correct revised map in online Part I.
5. Employment details in online Part I is not provided.
6. As per the muck disposal plan provided with the proposal the material to be disposed in dumping yard is 7437.84 cum however the capacity of the selected sites for muck dumping is only 6250 cum. The State Govt may clarify that where will they dispose the remaining muck and do the necessary correction in muck disposal plan and in component wise break up accordingly if required.
