With reference to above 2<sup>nd</sup> cited, an online application is filed under Section 2 of Forest Conservation Act, 1980 for diversion of 0.1178 ha. of forest land for providing 2 nos. borewell and laying of pipeline from open well to Forest check post near Varatupallam dam in South Bargur RF and Ennamangalam RF of Erode Division. The proposal has been examined wherein the Block Development Officer, Anthiyur (User Agency) has sought diversion of 0.1178 ha. of forest land for providing 2 nos. borewell and laying of pipeline. Further, the above area has been inspected on 09.07.2019 along with Field staff and it is found that the area of diversion required in laying of

pipeline from the borewell points (2 nos.) to the open well has been omitted in calculation of diversion area in the above proposal.

Hence the user agency is requested to rectify the above omission by including the additional area of diversion required for laying pipeline from the borewell points (2 nos.) to the open well also along with the area of diversion (0.1178 ha.) mentioned in the proposal immediately. The above defect may be rectified & details uploaded for necessary further action.
