

Construction of Tilwara-Tolab-Maikot & Malkoti-Dangi-Gunao LVR to MR
under State Sector (2.375 ha)

On scrutiny of the proposal, following shortcomings have been found:-

1. Short narrative of the project/scheme given in para -A-1 (iii) of online Part-I does not give adequate information about the project/scheme.
2. The present proposal is meant for widening of LVR road to motor road specification but the details of past proposal in respect of LVR road has not been given in the Table in para- B-1 of online Part-I.
3. Village wise breakup of forest land has not been given in the table in para- B-2.3 of online Part-I.
4. The data given in para- E of online Part-I about employment likely to be generated do not appear to be correct.
5. In the FRA certificate issued by the District Collector, 'NA' has been written against para-(a) and para- (b) which is not proper. Revised FRA certificate is required to be issued.
6. Under FRA, the proceedings of the VLC meeting has been provided for Kumoli, Malkoti & Karndhar villages of Kumoli-Malkoti Gram Panchayat. It is seen from the information given in para-B-2.3 of online Part-I that the forest land involved in the project falls within the jurisdiction of Malkoti & Tolab villages but the proceedings of VLC meeting for Tolab village has not been provided.
7. In the CA scheme, the estimated amount of CA was mentioned as Rs. 9,94,488.50 which has been corrected to Rs. 10,93,935.00 by hand. But, the corrected CA scheme has not been provided in the hard copy of the proposal.
8. Original copies of Part III, IV & V have not been provided in the hard copy of the proposal.
9. Estimated cost of the project given in para- A-1 (vii) of online Part-I does not appear to be correct.

State Govt. may remove above shortcoming and submit necessary information/documents/clarification.
