Memo:

Please refer to your office Memo. No. 4352 dated 05.08.2021 on the subject cited above.

2 Following shortcomings have been noticed in the reply as submitted to this office vide your above referred communication:

1. There is variation in the component wise breakp as mentioned in online Part-I and in hardcopy as furnished to this office vide your above referred memorandum. In online Part-I, only 10 components have been mentioned but in hard copy 13 components have given. Component wise breakup alongwith area of each component should match both in hard copy as well as in online Part-I against column No. B 2.4.
2. If power house falls in Matibajgann village, why it has been stated that it is situated in Tikken village.
3. The details of transmission line is not complete. Voltage capacity and RoW of Transmission line have not given in the detail as attached.
