ON LINE PROPOSAL No: FP/UP/ROAD/23699/2017

Subject: Proposed forest land diversion (Protected Forest) for four lane widening & strengthening of Pilibhit-Bareilly-Bharatpur road SH 33 from chainage km 102.115 to 113.00 (Chainage km 102.115 to km 114.20) in Badaun District with felling of 2,604 number of trees-reg.

Ref: Letter no. P-66/14-2-2017-800 (64)/2017 dated 31st July 2017

Sir,

In reference to your above mentioned letter where approval for above referred forest land diversion proposal was sought; I have been directed to convey following shortcomings of the proposal for necessary rectification:

1. Information at A-3 (xvii) is incomplete as the signature person making application on behalf of user agency has not been authenticated.
2. Geo referenced map uploaded with the proposal at C-(iv) of part I does not incorporate geo coordinates of all key points defining the proposed forest land for diversion.
3. Land schedule provided with proposal and uploaded as additional document does not provide details of position of RoW & protected forest on both sides of the road, details of widening width on both side of protected forest and balance remaining width of protected forest.
4. Linear strip plan uploaded with the proposal is a hand drawn sketch without showing position of RoW and other relevant dimensions.
5. Details/documents regarding settlement of forest rights under FRA 2006 have not been provided in part I online.
6. Kml file of proposed compensatory afforestation (second patch uploaded 'Ulayee Khera Van Khand-II') is not accessible.
7. Proposed compensatory afforestation patches fall in the flood plains of Ganga River which may get flooded during rainy season. The site suitability may be rechecked.
8. FRA certificate (uploaded) is without date and dispatch details. FRA certificate language needs revision to incorporate issues of rights of other traditional forest dwellers.
9. NPV calculation of the proposed forest land for diversion is based on wrong rates.
10. Copy of part V needs to be uploaded with online part II.
11. Various undertakings/certificates have not been uploaded online with the proposal.
12. Clarification is needed whether proposal is stand alone proposal or is part of other proposals.
13. Concerned DFO shall clarify status of proposed forest land for diversion with respect to violation of FCA 1980.

Therefore, the proposal is hereby placed under EDS category for rectification/revision of the same as per the observations made above in point wise manner.

Encl: As mentioned above.

Yours faithfully,
