From: Pr. Chief Conservator of Forests(HoFF) Himachal Pradesh To: CCF Shimla.

Subject: **Diversion of 11.7936 ha of forest land in favour of NHAI for four laining of proposed Shimla bypass from Kaithlightat to Shakral Section (Package-I) of NH-22 (Chainge from Kms 128.835 to Kms 146.300), within the jurisdiction of Shimla Forest Division, Distt. Shimla, H.P. (online no. FP/HP/Road/151117/2022).**

Memo,

Please refer to your office memorandum No. C-28-b-1600/FCA Shimla/ 3451 dated 23-7-2022 on the subject cited above.

The following shortcomings are still noticed which may be attended in all respect:-

1. The cost of project as mentioned in column No. 1(iii) of hard copy is 1721.52 crore whereas amount of 175940 lacs has been mentioned in online Part-I.
2. As the area of forest is involved 11.7936 ha. in this proposal but against the column of cost benefit analysis not applicable has been mentioned whereas, cost benefit analysis is required to be given in proposal where forest land is more than 5 ha.
3. Against the column No. 1 (vi) detail of the employment is required to be give as per the detail mentioned in online Part-I.
4. As per the Column No. 2 purpose wise breakup of land to be diverted has not been mentioned instead of this detail of forest and non forest land has been mentioned.
5. As per the check list 7 the statement showing the details of forest area involved has been placed in proposal folders but item wise breakup of the land has not been found mentioned in the statement. Further the same has not been signed by user agency.
6. The documents as placed in proposal folders at page No. 119-169 are photocopies, authenticated/ original documents be placed instead.
7. The density of vegetation has mentioned is 0.2725 whereas, 0.2625 has been mentioned in online Part-II.
8. In case scientific name of species does not appear in the drop down online portal , the same are to be mentioned in the column of local names in brackets. Further a separate list of trees coming in the dumping sites may be placed in proposal folders.

9. Nothing has been mentioned against the column No. 6 of online Part-I the brief not on vulnerability of the forest area to erosion is required to be mentioned.
10. Against the column No. 13 (I) (i) patch No has not been mentioned and area of CA patch is not mentioned correct. Further, same kml file has been uploaded for patch No. 1 and 3.
11. The certificate of population to be benefited is not found placed in the proposal folders.
12. The cost estimate for reclamation plan of engineering structures and plantation portion has not been placed in proposal folder.
13. The observation regarding dumping site as mentioned in site inspection and detail of muck given by user agency at page No. 199 are contradictory, and it is not understood why site is spread over an area of 2.4179 and trees involve in it, necessary clarification / detail report may be given in this regard. Further, if such site may impact the water ecology of the area then the dumping site may be changed another suitable place.
14. All uploaded and related documents in original/ authenticated copies (complete folder) are required to be uploaded in one PDF file against additional information detail of online Part-I.

You are, therefore, requested to make proper scrutiny of the proposal folders in all respect and submit the same after placing all requisite documents either in original or authenticated copies in it. However, the proposal folders as received with the memo are returned herewith for doing the needful.

Encls. As above.
