

Following shortcomings still observed in the online reply.

1. As per DSS analyse KML file of 4.10 ha found uploaded instead of 5.12 ha, State Govt. may review the same and upload the correct KML file.
2. SoI toposheet of proposed road, CA site suitability, bar chart, justification, FRA, aerial distance certificate, muck disposal plan administrative approval and benefited village certificate is not found submitted in hard copy. State Govt may submit the aforesaid documents in original.
3. Area mentioned in CA site suitability is 4.132 ha instead of double of that area. Area mentioned at para L (iv)(f) and (h) also found incorrect.
4. State Govt may review the same and submit correct information.
