Sir,

With reference to the subject and letter cited above, State Govt letter under reference (i) above has been examined in this office and observed the following incomplete information:

**(i)**The corrected Kml file of the proposed area indicating the components involved as the submitted kml file is only for muck area (1.212 ha) and Camp Area ( 0.708 ha ) without the bridge area.

**(ii)** The KML/shape file of the identified CA site as not found not in the attached CD. State Govt. is requested to furnish the above information to this office at the earliest for further processing of the proposal.

State Government is requested to provide the information/details to this office at the earliest so that this proposal may be taken up in the coming REC Meeting.
