

**Diversion of 1.625 hec. area for C/O Prem Nagar Chandog road via Bara Chakli km 7/0 to 10/200**  
**(1.625 ha)**

Following shortcomings may be attended by State Government:

1. Short narrative of the project does not give adequate information of the project.
2. The alignment of the proposed road shown in the scanned copy of geo-referenced digital map uploaded at para -C (iv) of Part-I online does not match with the alignment shown in the KML file uploaded at para-C (ii) where it is mentioned as Banahan Ki Ser-Bashnla Road. May correct the maps accordingly as per ground situation.
3. In the geo referenced digital map of the area proposed for diversion uploaded at C (iv) Part I online the geo coordinates have been shown at very few points May provide/upload scanned copy of GIS software generated geo referenced digital map to the exact scale of the proposed road showing geo coordinates at 200 to 300 m interval along the alignment of the proposed road including all turning points.
4. Sub Divisional level Committee proceedings dated 07.03.2015 and District Level Committee proceedings are not enclosed with the FRA certificate uploaded online at para-K Part-I, which may be done.
5. No map of alternative explored uploaded at D (ii) (a) Part-I online whereas in the hard copy of the proposal it is mentioned that due to felling of more number of trees involved, the alternate alignment is not considered.
6. In online Part-II details of violation may also be filled at column 11 (i) (a).
7. As per Decision Support System (DSS) Analysis in KML file of CA in Part II the extent of area is 0.05 ha instead of 4.50 ha area proposed for CA. May upload KML file again showing the correct extent of area proposed for CA. Revised digital map may also be uploaded/provided accordingly showing coordinates for correct extent of CA area.
8. It has been mentioned in the hard copy of the proposal that 7.0 KM road is already constructed up to Chandog. Further, it is also mentioned that the said road could not be included in the list of 2183 roads, where violation has taken place, submitted to the Hon'ble High Court. State Govt. may therefore submit names of the persons/officials responsible for this violation and also report on the action taken against them for this violation.
