Sir,

I am directed to refer to the State Government's letter No. FEE 08 FLL 2019 dated 29/07/2020 on the above subject and to inform that as per Para 11.2 of the Comprehensive Guidelines issued under Forest (Conservation) Act, 1980 vide letter dated 28/03/2019, any proposal for linear projects such as roads, railway lines, transmission line etc need to be processed in its entirety for comprehensive assessment of requirement of forest land and consequences if approval for any forest land is not granted. Since it has been now reported by the State Government that 3.323 ha. of forest land in Chitradurga District and 3.53 ha. of forest land in Davanagere District are also required for the completion of the project, it is requested that the User Agency may be directed to submit a comprehensive proposal including the requirement of forest land in other district with all mandatory details and submit the same for consideration under Forest (Conservation) Act, 1980.
