Jammu & Kashmir Forest Department
Office of the Pr. Chief Conservator of Forests & HoFF,
Government of Jammu & Kashmir

Sub: Proposal for diversion of 2.28 Ha of forest land for construction of road from kha to kherian under PWD(R&B) Division Rajouri in Rajouri Forest Division.

Ref: Proposal No. FP/JK/ROAD/155310/2022.

This is with reference to the above proposal. The Conservator of Forests West Circle Rajouri/DFO Rajouri/User Agency are requested to upload the following documents/clarification, within two days:-

1. In the joint inspection report, forest area assessed is **2.38 Ha (1.98 Ha for road alignment and 0.3 Ha for dumping site)**. However, joint inspection reports reveals the length of road passing through forest is 4149.31 Mtr and width 6 Mtr. Thus the forest area involved in the proposed road will be **2.789 Ha (2.4895 Ha for road alignment and 0.3 ha for dumping sites)**.
2. The KML file of the site indicates that there are two sections of forest area involved and 4 dumping sites. The total area does not match with the joint inspection report. The KML file may also be revised in case of deviation from joint inspection report.
3. The CF/DFO/User Agency are requested to examine the proposal and accordingly upload the documents as per the actual forest area involved in the proposed road.
