Sir,

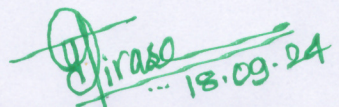

With reference to the letter cited above, as per report of ACF, Sundargarh and Head of CDLTP, SPARC, the DGPS Survey of Jamkani Reserve Forest has been certified by FSO and there is no change in Forest boundary Map of Jamkani Reserve Forest.

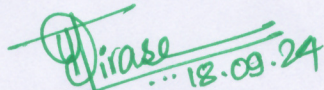

Hence, the pillar posting done during DGPS Survey of Forest area in Forest Diversion proposal ~~is~~ mismatches with the Reserve Forest boundary pillar.

In view of the above, you are requested to re-survey the area which will coincide with the Reserve Forest boundary pillar on ground and as per KML file of Jamkani Reserve Forest and re-submit the proposal after the survey work will be completed.
