

Site Inspection Report

This to certify that the area has been inspected by me on 22.04.2017. The area is containing deciduous forest and it is found that the area to be diverted for drawing electric line is 0.07 Ha. No trees are to be felled for drawing electric line at a width of 2m through the forest area. Moreover by drawing the electric line, it will not harm the existing vegetation and wildlife in this area. Hence permission may be allowed, subjected to realization of NPV.
