

PROPOSAL NO. FP/UK/ROAD/17623/2015

1. Authority letter uploaded in Part I is not matching with the details of the applicant.
2. In the geo referenced digital map of the area proposed for diversion, uploaded at C (iv) Part I online, geo coordinates are shown on google map which does not serve the purpose. May provide/upload scanned copy of GIS software generated geo referenced digital map to the exact scale of the proposed road showing geo coordinates at 200 to 300 m interval along the alignment including all turning points.
3. The digital map of area proposed for CA is provided in google map, which does not serve the purpose. The State Govt may provide/upload GIS software generated revised map in designated place in online Part I.
4. NPV calculation as per information provided in hard copy is done for taking density 0.4 and dense forest category which is not correct as per the number of trees proposed to be felled. The State Govt may do the necessary correction in this regard and upload the correct density and revised NPV calculation in online web portal.
5. The FRA certificate uploaded in online Part I is without enclosing district level committee and village level committee meetings proceedings. The State Govt may upload FRA with complete enclosures.
6. The village level committee proceeding for village Lingwana and Bhadarsu is not provided with the FRA certificate provided in hard copy of the proposal. The State Govt may provide VLC proceedings for these two villages also as these villages are mentioned in village wise break up through which the proposed road is passing. The complete document may upload in online Part I, column K alongwith the FRA certificate.
7. Employment generation detail may also furnish in online Part I.
8. The detail of land proposed for muck dumping may also furnish in component wise break up in online Part I.
