2. The proposal received has been found incomplete. The following shortcoming has been noticed in the proposal which is to be completed. Proposal folders received are returned herewith. All the requisite documents may please be placed in the proposal folder with proper numbering and index.
 1. Check list at P.No.6 is required to be signed by CCF/CF concerned.
 2. In KML file uploaded against column No.C(ii)(a), the proposed site and detail of alternate alignments examined have not been shown whereas in the justification uploaded against column No.D(i), three alignments have been examined.
 3. Against column No.E(i), 'No', has been mentioned. In this regard it is clarified that employment generation whether it is temporary or permanent is to be mentioned against this column. Hence, 'Yes', is required to be mentioned against this column. Temporary employment likely to be generated during the construction period is required to be mentioned against this column. Further in the hard copy of also against the (vi), the employment likely to be generated, nothing has been mentioned.
 4. Although the certificate showing the Arial distance from the protected area and their eco sensitive zone signed by DFO concerned has although been uploaded in online part-I and placed at P.No.55 of the proposal folder but the name of the protected area from where the distance has been shown, has not been mentioned in the requisite certificate. The revised certificate is required to be uploaded and placed in the proposal folder.
 5. The scientific name of some of the tree species have not been mentioned correctly against column No.4(ii), in online part-II. If the scientific name of all the trees involved is not appearing in the module, the scientific names of the trees should be mentioned within brackets against the column of local name of the trees.
 6. Working plan prescription of the forest land proposed for diversion has not been mentioned against column N0.5 of online part-II.
 7. CA has to be proposed over 2.059 ha of forest land but in the detail of CA site patch 2.25 ha of forest land has been mentioned but while calculating the forest area in KML file, it is coming 2.59ha instead of 2.059ha.Necessary corrections are required to be made in patch details as well as in KML file of CA site.

8. CA has been proposed over 2.059 ha of forest land whereas the CA site suitability certificate uploaded in online part-II and placed at P.No.51 of the proposal folder has only been for 1.8508 ha of forest land has been placed.
9. Diversion has been proposed over 1.0295ha of forest land but the NPV calculation for 8.0275ha has been made and uploaded in online part-II as well as placed at P.No.28 of the proposal folder. Revised bill of NPV is required to be uploaded and placed in the proposal folder.
10. As per GoI instructions, the soft copy of proposal folder is also required to be uploaded in online part-I.

Encl:-As above.
