Sub:- FD - F (C) Act, 1980 - Diversion of 2.03 ha of forest land falling in Compartment no.594, Mutchukota RF, Gooty Range, Ananthapuramu Division for grant of quarry lease for Steatite and Dolomite in favour of the Proprietor, M/s. Rama Minerals, Tadipatri, Ananthapuramu District - Proposal along with Part-II & III recommendation submitted - Additional information requested - Reg.

Ref:- CCF, Ananthapuramu Circle, Ananthapuramu, Rc.no.988/2019/TO, dt.17.08.2022 & 26.08.2022.

The subject proposal submitted in the reference cited along with Part-II & III recommendation, has been examined and observed the following short-comings.

1. The DFO, Ananthapuramu has submitted site inspection report of the forest area required for diversion and safety zone scheme details in hard copy. However, the same were not uploaded in PARIVESH portal though it is mandatory.
2. The user agency has not proposed any area for road in their proposal for transportation of mineral from the proposed mining lease area. The Director Mines & Geology, A.P, Ibrahimpatnam in Lr.no. 31281/R4-1/2017, dt 12.03.2018, while forwarding the proposal to this office has informed that, the present applied area is adjoining to the existing road and hence there is no need for further road construction. However, the DFO, Ananthapuramu has not informed details of the existing road which will be utilized by the user agency for transporting the mineral from the proposed mining lease area.

Hence, it is requested to submit the above additional information to this office, for further processing of the proposal under the Forest (Conservation) Act, 1980.
