महोदय,

Reply of the EDS is received to this office on 23.08.2018. I am directed to inform that the State Govt. may attend the shortcomings as mentioned below:

1. In DSS analysis it is found that the CA area marked as 8.715 ha comes to 4.829 ha instead. Therefore as per the software calculations, the area is far less than the required area.  
**Action Required:-** The State govt. may upload correct KML file of the area proposed for CA having area of 8.715 ha.
2. Hard copy of the proposal has still not been submitted by the State Government.  
**Action Required:-** The State Govt. may submit all necessary documents in original/authenticated by DFO like FRA certificate, geo referenced digital map of proposed road & CA, tree enumeration list etc.
3. Employment detail seems incorrect.  
**Action Required:-** State Govt. may upload the correct employment details in online Part-I at para-E.

प्रतिलिपि:-

1. आदेश पत्रावली।
