

No.D-V/594/G/ 3595
HP Forest Department

Dated Chamba, the 8/9/2021

From: Chief Conservator of Forests, To DFO Pangi.
Chamba-176 310.

Sub: Diversion of 211.8427 hectare of forest land for the construction of Dugar 500 MW Hydro Electric Project in favour of NHPC, within jurisdiction of Pangi Forest Division, District Chamba.

Memo.

Please refer to your office memo. No. 1647 dated 02.09.2021 on the subject cited above.

2. In this connection, during the scrutiny of the proposal, it has been observed that the proposal received in this office is ~~in~~-complete and is not found prepared in view of the FCA-1980 guidelines, there are so many shortcomings in the proposal but few of major areas under:-

1. No any document as per order of check list is found placed in the proposal.
2. All the documents are found photocopies; however original/attested documents are required.
3. 11617 number of trees of various species and class are mentioned against part-II online, but neither any trees enumeration list nor abstract of trees is found placed in the proposal to authenticate the same. Fresh trees list along with abstract duly signed by you are required to be placed in the proposal folders.
4. 211.8427-hectare forest land has been proposed for diversion, but ~~No~~ revenue record of land and Joint inspection report is found placed in the proposal folders.
5. 11.79 hectare – non forest/private land is also proposed against the component wise details against online part-I. But no details of non-forest/private land in hard copy is found given in the proposal, also no revenue record of land is found placed in the proposal.
6. All the NOC /Certificates are found placed for 449 MW in proposal folders; however proposal is submitted for 500MW. But, no any NOC/Agreement is found placed for 500MW in the folders. All the NOC/Certificates obtained for 500 MW capacity are required to be placed in the proposal folders.
7. Joint Inspection Report for the proposed forest land is not found placed in the proposal folders.

— P.T.O —

8. Digital Maps neither for proposed land nor for selected CA site are found placed in the proposal.
9. Part-I in the specified proforma is not found in the proposal folder, printout of online part-I is attached.
10. Similarly, Part-II is not found in specified format, only printout of online part-II is found attached.
11. Detailed reclamation Plan, Muck generation, utilization and drawing of protection work are not found placed in the proposal folders.
12. A road has been proposed in the proposal but no any details/map and specified proformas required for roads are found placed in the proposal folders.
13. Transmission Line has not been proposed in this proposal; however Transmission Line is an integral part of HEPs. But, no any details for not adding the Transmission Line in this proposal is given.

In this proposal, there are so many shortcomings, which ^{are} could not be written in details. Therefore, you are requested to look into the matter personally, go through strictly as per the FCA-1980 latest guidelines, instructions & Rules and prepare/revise the case accordingly. Further, ensure that all the copies of check lists and other documents placed in the proposal folders are either in original or attested by the competent authority. Please attend the observations and re-submit the complete case after doing the needful along with point wise reply to this office at the earliest, so that the case could be scrutinized and processed further. The proposal folders (3 nos) as received in this office are returned herewith for doing the needful.

Encl: As Above.
